# STANDARD HYDRAULIC CYLINDERS

Eagle Hydraulic offers a complete line of standard hydraulic cylinders. We manufacture and stock a range of welded body cylinders, tie rod cylinders as well as single acting telescopic cylinders. We can also customize our standard products to suit any of your applications. We have many choices of rods and end mounts.

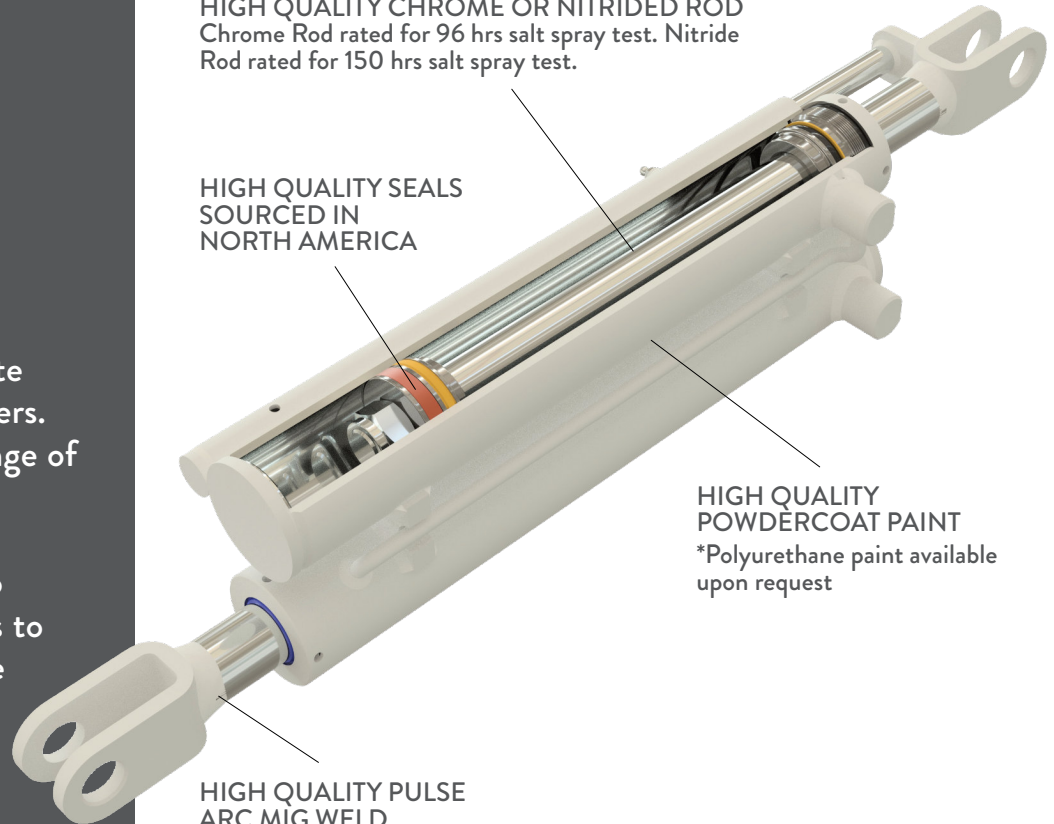

Engineered in Canada

**HIGH QUALITY CHROME OR NITRIDED ROD**  
Chrome Rod rated for 96 hrs salt spray test. Nitride Rod rated for 150 hrs salt spray test.

**HIGH QUALITY SEALS  
SOURCED IN  
NORTH AMERICA**

**HIGH QUALITY  
POWDERCOAT PAINT**  
\*Polyurethane paint available  
upon request

**HIGH QUALITY PULSE  
ARC MIG WELD**

**NITRIDED ROD AVAILABLE**  
\*STANDARD PRODUCT COMES  
WITH CHROMED ROD

“Nitriding produces a surface finish that is very hard, corrosion-resistant, environmentally friendly & cost-effective alternative that offers excellent performance when compared to hard chrome plating.”
