ABOUT EAGLE

Eagle Hydraulic Inc. is a Canadian based manufacturer of custom and standard hydraulic solutions.

We manufacture hydraulic cylinders, hydraulic power units and pumps as well as engineer and integrate more than 500,000 other hydraulic components such as motors, valves, manifolds, and many more options.

Serving the mobile equipment industry for decades, our products are designed and supported from our head office located in Mirabel, Quebec, Canada to exceed North American standards.

We own and operate two hydraulic cylinder manufacturing facilities located in China. Our manufacturing operations are certified ISO TS16949. We are also a certified OEM production supplier to many large North American based corporations.

Our services include custom components or system design, on-site visits, continuous support, flexible delivery and stocking programs, inventory updates, many warranty options, and responsive service.

We strive to provide you the best experience and deliver high-quality merchandise faster than expected.

Eagle Hydraulic adds value through innovation, quality, respect, commitment, loyalty, and teamwork.

SUPPLYING OEM AND DEALERS SINCE 1995

We strive for your success.

If you are facing any challenge or you want to learn more about how we can help improving your product offering, feel free to contact our team.

It will be a pleasure to deliver high quality and cost-effective solutions tailored to your needs and be lifetime partners.
